

Dear Member,

In order to strengthen the professional standards and to ensure higher quality delivery mechanism by its members, the Committee on Information Technology of the Institute of Chartered Accountants of India has entered into an agreement with **CaseWare Idea Inc., Canada** and their exclusive distributor for India **Sama Audit Systems and Softwares Pvt. Ltd., Mumbai** for providing its proprietary software **IDEA Data Analysis Software** and related support at the doorsteps of the ICAI member firms at a highly discounted price.

IDEA Data Analysis Software solutions are specifically designed to help risk and control groups, such as Audit, Risk, Compliance, IT or Financial Control professionals to perform in-depth analysis of data with ease. It can help in quickly finding exceptions and control breakdowns that leave you exposed to financial and reputational risk, increasing coverage and decreasing the time to analyze the truth in your transactions.

IDEA Data Analysis software is globally used by all the Accounting Professionals for conducting their audits seamlessly. This offer will provide you with an opportunity to acquire an internationally acclaimed software which is currently beyond the reach of the Small and Medium Practitioners. We hope that you will grab this golden opportunity and strengthen your core competence.

1. SCHEME DETAILS AND FAQ'S –

What will be received by the Buyer?

A single CD will be provided to each practicing CA who buys IDEA directly from us across India. The single CD will contain the IDEA Data Analysis Software Version 9 program set up file. The activation key will also be provided to activate and register the license.

What will be the Delivery Mode?

The License will be delivered to the practicing CA within 3 weeks of receipt of Order with full payment by Courier.

Will there be a User Manual?

User Manual will be available in softcopy PDF format on the CD.

Will there be Installation Support?

Installation is a self-installation process by each practicing CA. There will be no personal visit to a CA office for the purpose of Installation.

Can it be installed on multiple Desktops/Laptops at the same time?

The program set up file can be installed on ONE desktop/laptop using the activation key only.

What are the details about Licensing?

The Licence is an electronic license and is specific to the machine on which the software is loaded.

What support will be available?

Email and Telephonic support will be available related to any technical matters with the software.

Such licenses cannot be sold to other companies or transferred. However the licenses can be transferred to various branches of the member firms internally.
