

### **IDEA Boot Camp**

## Three Day Programme on IDEA – Getting Started | Advanced Analytics | Scripting for Enhanced Analytics

India Habitat Centre – Chinar Hall
Lodhi Road, New Delhi – 110003

10<sup>th</sup> to 12<sup>th</sup> February 2020, Monday to Wednesday

Hotel Tunga Paradise – Elite Hall 6<sup>th</sup> Floor, P-16, Central Road, M.I.D.C, Andheri (East), Mumbai -400093 4<sup>th</sup> to 6<sup>th</sup> March 2020, Wednesday to Friday

"The definitive forum to learn and receive unparalleled benefits from your investment in IDEA Software"

### **About Data Analytics**

Today the availability of abundant data from Legacy systems, bespoke applications and modern Enterprise Resource Planning (ERP's) provide Auditors, Accountants, Investigators, Analysts, Security Professionals and Controllers the opportunity to mine and thereby create valuable information from raw data. Organizations need to build a culture with related process, people and technology of making the best of Data Analytics.

## **Programme Objectives**

The IDEA Boot Camp is the premier event for IDEA Data Analysis Software users from beginners to specialists. Whether you are new to IDEA, a seasoned user or just considering it – you will find there is a lot to learn and implement at this exciting one of a kind event. The Boot Camp will provide you with the required skill sets in terms of discovery, visualization, data analysis, control testing, MIS reporting, complex data mining, large database reconciliation, statistical sampling, red-flag analytics and continuous monitoring to take your analytic experience in IDEA to the next level.

# SAMA Enabling Basiness Excellence

#### **Who Should Attend**

Internal Auditors
External Auditors
Fraud Investigators
MIS Analysts
Continuous Auditing and Continuous Monitoring Specialists
IT Control Specialists

## **Programme Deliverables**

- Current cutting edge training material from Caseware Idea Inc. Canada on IDEA Data Analysis Software Version 11
- Case Studies from diverse industry segments, business processes and audit assurance engagements.
- Dedicated training session on live data with Control Objectives provided by participants.
- Experience sharing from successful implementations in India.
- Sharing of practical do's and don'ts on IDEA usage.
- Interactive Quiz Session
- Ample Self-Practise Tutorials
- Certificate of Participation.
- Free Membership of the IDEA Data Analysis Software Users Community Group on Google.
- Talk on the Global Caseware Analytics Certification Certified IDEA Data Analysis (CIDA).
- Introduction to the Smart Exporter SAP Connector.

# **Session Overview**

Session Number	Time Schedule	Getting Started	Advanced Analytics	Scripting for Enhanced Analytics
	Venue – New Delhi	10 <sup>th</sup> February 2020, Monday	11 <sup>th</sup> February 2020, Tuesday	12 <sup>th</sup> February 2020, Wednesday
	Venue - Mumbai	4 <sup>th</sup> March 2020, Wednesday	5 <sup>th</sup> March 2020, Thursday	6 <sup>th</sup> March 2020, Friday
		Day 1	Day 2	Day 3
1	9-30 am to 10-15 am	Introduction	Overview of Advanced Features	Introducing the IDEA Script
		Understand IDEA, its interface, its	Walk-through of advanced features	Master how to automate repetitive
		online Help, benefits arising on	in IDEA which can take the user to a	tasks, create a local automated
		usage, regulatory drivers to usage,	higher analytical platform with	audit system, work with other OLE-
		stages in the use of IDEA,	enhanced confidence on results	Enabled Software and build
		prerequisites to usage with client	reported.	complex tasks.
		project creation.		
2	10-15 am to 11-00	Data Import	Complex Data Mining	Practising the Visual Script
	am	Learn to import spread-sheet, text	Develop the expertise to perform	Learn the techniques to edit the
		and report files through IDEA's	Adobe-PDF file imports, Create	Visual Script when the underlying
		robust 'Import Assistant'. Pick-up	Record Definitions for unstructured	data changes, adding/deleting
		common hints and tips for easy	data and adopt direct database	tasks within the Script box and
		data retrieval and import.	links.	binding Macros to the IDEA ribbon.
3	11-15 am to 12-00	Data Analysis - 1	<b>Building Complex Equations</b>	Practising the IDEA Script
	noon	Practise how to identify	Enhance your skills in building	Follow in simple steps the process
		irregularities, isolate specific items	complex @Functions like @getprev,	of creating an IDEA Script from
		and profile data in a Purchase to	@getnext, @daystoD, @DtoDays,	'History' and 'Project Overview'
		Pay case study like duplicate bill	@soundex. Learn to build 'Nested	and get familiarized to the IDEA
		booking, bill splitting to circumvent	@Functions', 'Conditional	Script dialog box – editor window,
		approval limits, vendor favouritism	Functions' and 'Time Functions'	watch window and more.
		and more.

		Follow good practices to maintain, secure, export and report the results from IDEA.	and Fuzzy Duplicates – Analytic Intelligence.	'Message Boxes', 'Adapting Database Name', 'Adding Code to utilize File Explorer' and more with case studies.
7	3-45 pm to 4-30 pm	Participant Case Study Open-session to take on, discuss, practise and conclude on specific participant case studies with different analysis 'What If' scenarios. Helping the participants visualize Control Objectives with Field Mapping, related IDEA function utilization and interpretation of results generated with further action to be done.	Tutorial Case Study Tutorial-session where attending participants will get a chance to independently use and practise advanced functions to develop usage confidence and better visualization.	Using the Passport Portal in IDEA  - Access to Tutorials - Availability of White Papers and AuditNet Premium Audit Checklists - Perusal of Feature / Functionality Usage Videos - Download of IDEA Scripts and Custom Functions
8	4-30 pm to 5-30 pm	Conclusion Discussion of practical Do's and Don'ts while 'Getting Started using IDEA' with summation of learning's.	Conclusion  Discussion of ways and means to improve your IDEA usage experience and pay-back with wrapup of sessions.	Conclusion Discussion of Good programming practices in Scripting including error detection and debugging.

11-00 am to 11-15 am (Tea/Coffee Break), 3-30 pm to 3-45 pm (Tea/Coffee Break) and 1-00 pm to 2-00 pm (Lunch)

# **Nomination Details**

You may choose to attend any tracks below in the Boot Camp -

Track	Nomination Charges per Participant within India	Nomination Charges per Participant Out of India
Delhi - Day 1 - 10 <sup>th</sup> February 2020 - Getting	Rs. 9000/- plus 18% GST = Rs. 10,620/-	US Dollars 300
Started		
Mumbai - Day 1 – 4 <sup>th</sup> March 2020 - Getting Started		
Delhi - Day 2 - 11 <sup>th</sup> February 2020 - Advanced	Rs. 9000/- plus 18% GST = Rs. 10,620/-	US Dollars 300
Analytics		
Mumbai - Day 2 – 5 <sup>th</sup> March 2020 - Advanced		
Analytics		
Delhi - Day 3 – 12 <sup>th</sup> February 2020 - Scripting for	Rs. 9000/- plus 18% GST = Rs. 10,620/-	US Dollars 300
Enhanced Analytics		
Mumbai - Day 3 – 6 <sup>th</sup> March 2020 - Scripting for		
Enhanced Analytics		
Delhi - Day 1 + Day 2 + Day 3 – 10 <sup>th</sup> to 12 <sup>th</sup> February	Rs. 24,000/- plus 18% GST = Rs. 28,320/-	US Dollars 800
2020		
Mumbai – Day 1 + Day 2 + Day 3 – 4 <sup>th</sup> to 6 <sup>th</sup> March		
2020		

Please send in your nomination with name, designation, organization details, address, and phone numbers with email to Mr. Hitesh Dattani, Programme Manager at hitesh.dattani@samaaudit.com or call him on 022-26743675.

Payments to be made by Cheque/Demand Draft/ Pay Order in favour of 'Sama Audit Systems and Softwares Pvt. Ltd' payable at Mumbai.

You may kindly request for the Bank Account details in case of online transfer.

"Participants who enrol for the programme are required to carry their own laptops with IDEA Version 11 loaded. If you do not have IDEA Version 11 loaded, please ensure you have administrative rights to install the training copy of IDEA Version 11 provided by us on the day of the programme. Alternatively please communicate with us well in advance so that we can arrange to send an email web-link of IDEA Version 11 Setup Installer Files to you for installation at your end."
